

A5 Flyer / Leaflet Template

Finished (trim) size: 148 x 210 mm

Document size with bleed: 154 x 216 mm

PINK = 3 mm bleed. Extend backgrounds and images to the outer edge.

BLACK line = trim. This is where the flyer is cut.

BLUE dashed line = safe area. Keep all text and logos inside it.

Use CMYK, 300 dpi images, and outline or embed fonts.

Delete these guides before saving your artwork.
